**Les Petits Grains** is made from the Muscat à Petits Grains grape. The profound grape-like sweetness, fruity fragrances, and clean finish make **Les Petits Grains** the perfect wine to accompany any dessert or to enjoy by itself. Best chilled, it is full of lush, ripe flavors such as apricot, quince, mango, mandarin and honey. It has an intensely deep gold color and is rich on the palate, a simply delicious and luscious wine.

Three special desserts have been created  
to pair with **Les Petits Grains**
