## The Pomzenger

Recipe adapted from Julie Johnson.

Makes 1 burger

1/3 pound ground beef, buffalo or turkey  
1 tablespoon ¿Porque No? Fire-Roasted Zinfandel Marinade  
1 slice Gorgonzola cheese (or other soft blue cheese)  
1 to 2 slices bacon  
Bun, extra marinade and burger fixings, for serving

1. *In a bowl, blend the ground beef with the marinade. Divide the meat into two equal pieces and form each piece into a thin patty.*
2. *Place a slice of Gorgonzola on one patty and top with the other patty, sealing the edges to enclose the cheese. Wrap 1 or 2 slices of bacon around the edge of the burger and secure with toothpicks.*
3. *Grill the burger to desired doneness and serve on a bun with extra marinade and fixings.*
